BIBLE STUDIES  
AT A GLANCE

# THE BALANCED DISCIPLESHIP PLAN

The goal of every group leader is to make mature disciples. This requires well-rounded biblical study. But it's only natural for leaders or groups to gravitate toward their favorite subjects and completely ignore others.

When you use a strategic discipleship plan, it's easier to stay on track. The Balanced Discipleship Plan from LifeWay Groups Ministry gives your group seven categories of study that each cover a key aspect of discipleship.

Simply choose a study from each of these categories over the course of the next 12 months and your group can be assured that you are taking a balanced approach to the development of disciples.

# FOUNDATIONAL DISCIPLESHIP

Teach group members how to journey with God  
and experience His presence and power in their lives.
